

CivicPulse: Empowering Civic Engagement

Empowering citizens to engage in civic affairs.

SM by Seema M

The Problem

Lack of trust in government and institutions.

1

Disillusionment

Public feels disconnected from government.

2

Lack of Transparency

Opaque processes leading to distrust.

3

Inequality

Disparities in access to resources and opportunities.

4

Limited Engagement

Low civic participation hampers progress.

Our Solution: CivicPulse

Bridging the gap between citizens and government.

Issue Reporting

Submit reports with photos and details.

Government Dashboard

Track and manage issues in real-time.

Community Forums

Discuss and propose solutions to problems.

Key Features

Empowering citizens to make a difference.

Transparency & Accountability

Open access to information and progress updates.

Citizen Empowerment

Voice amplified through reporting and participation.

Community Collaboration

Shared responsibility for problem-solving.

Target Audience

Reaching out to a diverse user base.

1

Young Citizens

Seeking ways to engage in civic affairs.

2

Local Governments

Looking for community feedback and insights.

3

NGOs & Organizations

Promoting social justice and community development.

Business Model

Sustaining our operations through diverse revenue streams.

Revenue Stream	Description
Sponsorships	Partner with NGOs and businesses aligned with our mission.
Grants	Apply for funding from governmental and non-governmental sources.
Premium Features	Offer advanced analytics and tools for governments.
